Message from the Chair

Dear Rotarians,

I am often asked 2 things by those considering RLI.

What's in it for me? A lot! Let me explain. You are investing a significant amount of your time and energy in your Rotary club membership. Yet many Rotary club members do not understand the opportunities, benefits and obligations of belonging to our organization. If you bought a house, a car, or an investment,

you would certainly do research on what you were buying. Why not research Rotary? RLI helps direct your process of self-discovery in what that membership truly means. I guarantee you that this process will have great value for you personally & professionally. A Rotarian's ethical and service values and the leadership skills learned translate to, and are valuable and sought after in the business world. If you can lead volunteers, you can lead anybody!

How is RLI different from all the other Rotary training out there? In many ways! (1) Our target audience is "prospective club leaders" and there is no R.I. training prepared for this group, (2) Our facilitation methods are geared toward the way adults learn and encourage creativity by faculty and participants. It's FUN, (3) Equal parts Rotary content & leadership skills training, (4) We have 20 year Rotarians tell us they learned more in Part I of RLI than they did in all the time they have been in their Rotary club. That's a strong recommendation!

I hope to see YOU at the Institute!

Bevin W. Wall, Zone 33 RLI Chair
Past District Governor & Zone Rotary Coordinator

FAQs

What are the courses?

- 3 sequential day-long leadership courses (Parts I, II, & III)
- provide leadership skills while advancing Rotary knowledge and understanding

Where are the courses held?

- Over 20 locations, including at least one in your Rotary district
- You can take courses at any location and as fast or slow as you like

What are the learning methods?

- No lectures
- Everybody participates
- Small class sizes
- Multiple & Fun techniques: role-play, problem-solving, small groups, drill-downs, brainstorming, creating projects, games, etc.

Who are the Faculty?

- Experienced Rotarian leaders at Club, District, Zone or International levels
- Selected for creativity and training abilities
- Extensively trained on subject-matter and using effective and involving techniques
- Drawn from all member Rotary Districts

Why do Rotarians need leadership Training?

- Annual turnover of Rotary club leaders, officers, committee chairs, etc.
- Volunteer leadership skills translate to business world
- Success of the Club depends on the continuing quality of its leaders

Who should be nominated to attend the Institute?

- Those with the "potential for club leadership"
- Candidates ready to be exposed to the larger Rotary world
- Suggest 2 Nominees per year and to support prior nominees with Parts II & III

What are the costs?

- \$95.00 per day
- Includes materials, lunch, breaks

Should our club participate?

- Clubs that care about their future want the best leadership possible
- Ready pool of club leaders
- Quality program that can't be duplicated by clubs
- Exchange of ideas & contacts with other club leaders extremely valuable
